

# Start life anew. 4 steps to a new reality

Is something not right with your life? Do you want to change something and are you ready to make the effort to do so, but don't know how to?

In that case this book is for you.

What should we change? Not the world around us, or other people, however much we might want to.

In this book you will find the TECHNOLOGY FOR CHANGING YOURSELF. Because it's actually you who are responsible for what you have today – for your health, income, relationships and everything else.

This book is not an easy read, but INSTRUCTIONS FOR MAKING A TRANSITION TO A NEW REALITY, for creating a space for harmony, inner peace, success and joy.

This unique Technology of Personality Transformation, developed by Alexander Sviyash, enables you to live significantly more happily than millions of people around you. You'll be able to use it IN THE SOLUTION OF ANY OF YOUR PROBLEMS.

And start living happily.
